

Central Coast Council Water Restrictions Level 1

APPLICATION FORM FOR WATER RESTRICTION EXEMPTIONS - NON RESIDENTIAL

This form should be used for all non-residential applications and covers businesses, clubs, sporting bodies and facilities. View water restrictions at centralcoast.nsw.gov.au/water-restrictions. Online exemption applications are available at centralcoast.nsw.gov.au/lovewater

What Level 1 activity or category are you seeking an exemption for which differs from the permitted method or timing?

- | | |
|---|--|
| <input type="checkbox"/> Garden watering | <input type="checkbox"/> Watering sport and recreations surfaces including bowling greens, golf greens and cricket pitches |
| <input type="checkbox"/> Washing cars or boats | <input type="checkbox"/> Watering nurseries and commercial gardens |
| <input type="checkbox"/> Flushing boat motors | <input type="checkbox"/> Water cartage from town supply |
| <input type="checkbox"/> Washing external building surfaces | <input type="checkbox"/> Any situation not covered above |
| <input type="checkbox"/> Hosing paths or driveways | |

Please describe why you are seeking an exemption and why this is important to your business (attach additional pages and documents if required):

Please list any water saving measures that you have put in place to help offset this use. Tick those that apply to your business:

General water saving measures	<input type="checkbox"/> Leaks have been fixed within my business premises e.g. leaking toilets, dripping taps <input type="checkbox"/> Water efficient (4 star+ WELS rated) appliances, fixtures or fittings are used in my business premises <input type="checkbox"/> Aerator taps and/or dual flush toilets have been installed in my business premises <input type="checkbox"/> All hoses have been fitted with trigger nozzles <input type="checkbox"/> A rainwater tank has been installed for my business premises
Nurseries, turf supplier, gardens	<input type="checkbox"/> Evaporation has been reduced by top-dressing vegetation or soil e.g. with compost, mulch, gravel or manure <input type="checkbox"/> My irrigation system is efficient e.g. it is adjusted for weather changes and plant growth, uses rain or soil sensors, no overspray on concrete <input type="checkbox"/> Clippings are used on lawn to retain moisture <input type="checkbox"/> Drought tolerant plants will be used (specify below)

Please return to Central Coast Council at:

- 2 Hely Street, Wyong 2259 or 49 Mann Street, Gosford 2250
- PO Box 20, Wyong NSW 2259
- ask@centralcoast.nsw.gov.au

love water
use it wisely

Building sites	<input type="checkbox"/> A water savings plan has been prepared for the project and steps are taken to ensure that staff and contactors adhere to it <input type="checkbox"/> Evaporation is reduced by retaining as much vegetation as possible during construction <input type="checkbox"/> Workers are required to use a broom rather than a hose to clean paths and gutters <input type="checkbox"/> Buckets of water are used to clean tools instead of running water <input type="checkbox"/> Only essential hosing of paths, driveways, concrete or paved areas is permitted
Commercial kitchens	<input type="checkbox"/> Manually operated pre-rinse spray guns have been installed <input type="checkbox"/> Water efficient appliances (4 star+ WELS rated), fixtures or fittings have been installed in my business premises

Other water savings measures I have put in place (add additional pages and documents if required):

Statement

In applying for this exemption I acknowledge and agree to:

- Prompt implementation of the water saving measures that I have committed to above;
- Central Coast Council providing notice of (and attending) onsite visits to assess and/or consider the implementation of water saving measures as required;
- Any exemption approval granted is subject to: the implementation of the water saving measures I have committed to, and water restriction changes made by Central Coast Council should the drought progress (Central Coast Council will notify customers if the status of their approval changes).
- Central Coast Council may collect, use and disclose quantitative data derived from the Exemption Application for industry analysis, benchmarking, analytics, marketing, and other business purposes. All data collected, used, and disclosed will be in aggregate form only and will not identify any individual or business.
